Topical Conference Chairs

T1: Fuel Cell Technology

T2: Nanowires

T3: Multiscale Analysis in Chemical Materials and Biological Processes

T4: Systems Biology

T5: Sensors

T7: Envisioning Biorefineries

T8: Bioseparations

T9: Ninth Topical Conference on Food Engineering (CoFE 2005)

TA: American Electrophoresis Society Annual Meeting

TB: Connecting: Minorities and Women in AIChE

TC: Opportunities for Technology Cooperation with Eurasian Chemical Institutes

TD: Developing Value Through Synergistic Collaboration

TE: Sustainable Engineering

TF: 5th Topical Conference on Nanoscale Science and Engineering

TG: Carbon Nanotubes

TH: Biomedical Applications of Nanotechnology (Bionanotechnology)

3rd International Symposium on Runaway Reactions, Pressure Relief Design, and Effluent Handling

AIChE/ACS Management Conference 2005: Innovation: The Engine for Growth
