ECC13 Best Student Paper Award

The ECC13 Best Student Paper award recognizes excellence in a paper presented at the European Control Conference whose primary author is a student at the time of submission. The finalists for ECC13 are:

Finalist: Kunihisa Okano

Title/Authors: "Stabilization of Uncertain Systems with Finite Data Rates and Markovian Packet Losses", Kunihisa Okano, Hideaki

Finalist: Diego Romeres

Title/Authors: "Novel Results on Slow Coherency in Consensus and Power Networks", Diego Romeres, Florian Dorfler, Francesco

Finalist: Markus Hehn

Title/Authors: "An Iterative Learning Scheme for High Performance, Periodic Quadcopter Trajectories", Markus Hehn, Raffaello D'Andrea

Finalist: Olle Trollberg

Title/Authors: "Multiple Stationary Solutions to the Extremum Seeking Control Problem", Olle Trollberg, Elling Jacobsen

Finalist: Arne Geert Dankers

Title/Authors: "Predictor Input Selection for the Identification of Dynamic Models Embedded in Networks", Arne Geert Dankers, Paul M.J. Van den Hof, Xavier Bombois, Peter Heuberger

The winner will be announced at the conference banquet.
